ABOUT BEING BRAVE 2020

Town Clock CDC's **Being Brave** gala is our largest fundraiser of the year, and our corporate sponsors are an essential part of our efforts to raise money and awareness to support our work. **Due to COVID-19, this year's Being Brave gala will be virtual** - but it will still be an event to remember, and worthy of your support! Commit today to help ensure safe, affordable housing remains available to survivors of domestic violence and their families throughout the pandemic and beyond.
