ABOUT BEING BRAVE 2021

Being Brave is Town Clock CDC's largest fundraiser of the year, and our sponsors are an essential part of our efforts to raise money and awareness to support our work. We will be hosting a hybrid event this year, giving our guests the option to attend in person or via livestream, offering sponsors increased visibility and reach.

Commit today to help Town Clock CDC to continue to provide permanent, affordable, safe housing and supportive services to survivors of domestic violence and their children.

PLEASE NOTE:

These sponsorship levels are to be used as guidelines for general reference and are subject to change. If you would like a customized sponsorship package, please contact Susan Kramer-Mills at susan@townclockcdc.org.
